

STEPS TO PURCHASE BHAJANS ON iTUNES:

1. **Create an Apple ID:** go to the Apple website (<https://www.apple.com/itunes/>) and create an account.
2. Provide: full name, birth date and mailing address.
3. Select an ID (use your email address) and enter three secret questions for account security.
4. provide a different email address as your rescue email in case of security breach or forgotten password. For example, if you use a music1@gmail.com address as Apple ID, use a different email address as your rescue email, such as natya1@gmail.com as your rescue email.
5. Set up method of payment, when prompted: such as your Visa credit card, your Mastercard credit number
